

WESTERN NEVADA COUNTY OPEN STUDIOS ART TOUR

Application to Participate • Deadline: June 25 Postmark

If you have email, please supply your address. It won't be given to anyone else; it helps reduce our printing and postage costs. Enter my address (see below) in your computer address book or adjust your spam filter so that you receive our group emails. No email? Not to worry: we'll use snail-mail.

- **DATES:** October 9-10 is mandatory weekend (everyone is open; hours are 10 am to 5 pm), with October 16-17 an optional weekend. Last year, most participants chose to be open both weekends. Preview reception is Thursday, October 7 at Center For The Arts, Grass Valley, 6:30 to 9 pm.
- **STUDIO DESTINATIONS:** Although all qualified artists may participate, we are limiting the number of destinations to about 60. We encourage artists to share their studios with one or more fellow artists where appropriate. We will help those needing to pair up to find a suitable studio. Each artist, whether showing individually or in a group, must submit a separate application and fee. Each artist, whether alone or in a shared studio, will be represented in the directory with name, phone number, medium and art image.
- **COST to each artist: \$145.** The Tour is not a profit-making venture; every penny is carefully and intelligently spent.
- **DIRECTIONS TO YOUR STUDIO:** very important! On the back side of your application, write out directions as if you were coming north from Auburn. Do not use an illustration -- words only! Keep it simple.
- You are not required to work on a committee; however, if you would like to help with one of the tasks that makes Open Studios happen (hanging preview show, helping with food at preview), indicate below.
